EDUCATION

- University Degree in Programming (UNSAM) - 2nd year. Current GPA: 9.4
- High School Education: Leonardo Murialdo Institute. Final GPA: 9.21
- Recurrent student at Platzi. Web development courses. Platzi Rank: 5200 pts
- Member of the third Cohort of Makers Coding Fellowship (selected from 750 applicants), where I receive training from professionals working in Latin American startups and meet the next generation of tech innovators.

SOME OF MY PROJECTS

- Morfi App: Participated in the 11th cohort of No Country, where I collaborated with other developers and designers to build a website from scratch over the course of a month. https://nocountry-vercel.vercel.app/
- HBO Max Clone: Developed using the latest technologies (Next.js 13, React.js, and Tailwind.css) to provide the best possible User Experience. Integration with TMDb API. https://hbo-clon.vercel.app/
- Mercado Libre Clone: Developed a clone of the ML product detail page. https://mercadolibre-details-challenge-two.vercel.app/
- Agency Posts: Project created to enter Makers, where I utilize AI and an image bank. Created an API with Node.js and Express. Integration with OpenAI API and Pexels API. https://agency-posts.vercel.app/
- AI Google Translator: Clone of the Google Translator that performs translations using AI (OpenAI API). API developed with Node.js and Express. https://clon-google-translate.vercel.app/

SKILLS

- React.js
- Next.js
- Typescript
- Javascript
- Tailwind.css
- ChakraUI
- GIT
- HTML, CSS, SASS
- Advanced English. B2 level (FCE exam)

INTERESTS

- Enthusiast of podcasts about the startup world and personal development (Truora, New Label Experience, Lex Fridman Experience).
- Sports: Soccer and gym.
